MOTION BY SUPERVISOR ZEV YAROSLAVSKY

AUGUST 21, 2007

AMENDMENT TO #55 – LOBBYIST ORDINANCE

Today's report on Item #55 reviews the mechanisms available to the County to enforce the Lobbyist Ordinance. The Chief Executive Officer recommends that the Board increase the penalty for various violations of the Ordinance. The Board should also consider whether fees charged to lobbyists under the Ordinance to register themselves and their clients with the County are appropriate.

I, THEREFORE, MOVE that the Chief Executive Officer, together with appropriate staff, be directed to review the current lobbyist registration fees, including fees charged to register lobbyists, lobbyist firms, lobbyist employers, and lobbying clients; to determine whether they are set at an appropriate level; and to report back to the Board at its meeting of September 4, 2007.
